

Mission Statement

The mission of Gym South is to provide the highest gymnastic & cheerleading training for our clients. It is our goal to have the most successful competitive programs in the Southeast, while providing the best instruction available to the recreational classes.

It is our business philosophy to deal ethically, enthusiastically, and honestly in all of our business relationships with employees, vendors, and clients. We would also like to place a strong emphasis on giving back to the community around us and will do our best to be active and helpful through community service and charitable organizations.

Our goal is to create a facility that the community and employees are proud of. We will listen to those around us and do our best to make Gym South Gymnastics and Cheerleading the most popular, positive name in Fayetteville.

Group Fun For All

Have you been looking for a new and exciting place to have fun??? We invite you to bring your group to Gym South Gymnastics & Cheerleading to play games, jump on the trampoline, climb the rope, participate in gymnastics and cheerleading activities, tumble on our spring floors, play in the foam pit, swing on the bars, play on the rings and more! (swimming may be available during summer months)

Schedule your group to visit us for one day of fun, for an overnight/lock-in, or make Gym South a part of your weekly activities. We can accommodate whatever works best for your group.

Any group can
be arranged!!!

Ages 6
months
to Adult

All Groups Welcome

Our special programs are great for any group! We can accommodate school groups, Church groups, Staff groups, Pre-school groups, Boy/Girl Scout troops (earn badges), Baby/Play groups, Homeschool groups, or any group that wants to get together to have fun!

Pricing

Prices are very reasonable and will depend on your needs. The number of chaperones, the number of participants, the number of hours that you would like to schedule, and the activities in which you would like your group to participate will help us custom design a program just for you!

Testimonials

"This fieldtrip was a wonderful experience for our pre-k children. The children even expressed that this was the best field trip that we have been on all year! ...the coaches were very friendly and welcoming to our group. The activities that were planned for our group were very appropriate and enjoyable to the children."

Pre-School

Our experience at Gym South has been terrific! I value the climate they have established by making Gym South a place that gymnasts want to be. Personally speaking, my daughter would come everyday, if it were an option!
